District Governor Tom says:

Our first DEC is next week July 12 at Stantec. There will be three more during the year. We expect to share the calendar for the entire year so that you will have more time to prepare for these meetings.

All area governors and division governors should make every effort to make these meetings as that will help them in having a successful year! (Your vote counts on the DEC for District 12 decisions being balloted!) Of course there are always emergencies that may keep someone from attending but please let me know if you can't make it. Feel free to call me on this or other issues 951-780-7984. Bring your assistant if you have one (and you should have one if possible). District officers, PRO, Treasurer and Secretary should try to attend. The rest of the district staff are welcome but not required.
